OSC Manager: Mrs Debra Thorpe

Welcome back!

Hope you all had a terrific summer break, spending time with family and friends or just chilling.

IT'S GREAT TO HAVE YOU BACK WITH US.

During the Summer Term the children encountered lots of different activities from our theme "The Four Seasons" they took part with colour experiments creating their very own magic rainbows and using skittles placed in a bowl adding water and sitting back to watch the changes in colours mixing and blending together, the children collected leaves, sticks, bark and other media to create a Spring collage. We took part in several water experiments such as combining ice play with animal themes, the children had pipets and spray bottle to rescue the trapped animals inside.

LOTS OF FUN AND LAUGHTER

Carrying on through the Summer Term we looked at different ways to enhance our OSC garden area, creating a sensory garden with diverse textures, sounds and scents, we grew our own plants and vegetables and added colourful pictures to our outdoor area, rock

painting was a big hit to really bring our garden to life. (Look out on X for all our pictures. As usual we had had many a baking session at the Hive which is always a firm favourite) the children have made jam tarts a variety of cakes and a wonderful apple crumble pie. Outdoor summer games were invented and created using junk modelling, ping pong balls and a spring, we had tons of fun playing with this.

We will be focusing on STORIES for our theme in September, e.g

WANTED The perfect Pet Story

We will make pet masks out of paper plates

Create a poster for their perfect pet

Write a piece of text stating why an unusual animal would make a perfect pet

Create a perfect pet out of junk modelling

Once we have completed 1 story we will move on to another story with similar activities.

REMINDERS TO ALL PARENTS

Can I remind ALL parents that mobile phones should not be used when you enter the foyer to the Hive. Children need to be signed in\out. Please ensure all contact details are up to date such as passwords to be used when other adults are collecting your children.

All parents are responsible for seeing their children to the front door of the Hive building at breakfast times as children must be signed in.

Thank you

The Hive Team.
