William Law
CE Primary School

Welcome to William Law CE Primary School

Dear Parents and Carers,

It is my pleasure to welcome you, on behalf of our children, staff and Governors at William Law CE Primary School. We are a special place, brimming with happiness, curiosity and investigation, filled with challenging learning experiences and rich memorable moments.

At William Law CE Primary School we offer our children a rounded education, developing the whole child, through our Christian vision and values, offering a supportive and nurturing environment focused on happiness, health and well-being. We encourage our children to be active learners in every aspect of school life. We pride ourselves on a positive atmosphere that values diversity, inclusion, and individual strengths.

At William Law our shared values, mutual respect, and supportive relationships contribute to a positive school culture that leaves a lasting impact on everyone who is part of it. We develop individuals who not only harness their William Law Powers within the school setting but also outside the school environment. Individuals who are creative, inquisitive and reflective. They show respect, forgiveness and empathy. Learners who show resilience and independence.

We show "Learning, Living and Loving Together" to be the best that we can be and to flourish every day.

Learning with us

At William Law CE Primary School we believe in the uniqueness of every individual and celebrate their gifts and talents.

Our curriculum is rich, diverse, and deeply meaningful, complemented by extracurricular activities and opportunities for broader enrichment. We provide a broad and balanced curriculum, enabling all children to flourish across all subject areas.

We are always seeking innovative ways to inspire a lifelong love of learning. Quality First Teaching is a priority, teaching is reflective, research informed, creative and forward-thinking. We believe that the way children are taught is as important as what they learn.

"Pupils behave well and take pride in their learning. The curriculum supports the pastoral development of pupils' positive attitudes and character traits."

Ofsted, 2023

“Pupils enjoy a range of exciting opportunities which extend their learning, including trips and musical opportunities.”

Life with us

Community is central to a happy learning environment at our school. As a community, we know that working together in strong partnerships is the most effective way of supporting all our children to reach their full potential.

At William Law we focus on developing our children’s values and appreciation of their social responsibility. We highlight the impact every individual can play and create opportunities for everyone in our community to be courageous advocates.

About PDET

PDET is a family of over 30 schools across Northamptonshire, Peterborough and Rutland who are **learning and flourishing together**.

By working together as a group, we are proud of the fact that all of our schools are rated as Good or better by Ofsted and are applauded by the Church of England for their ethos and approach.

To achieve this, we support our staff to thrive and create exciting opportunities to enable each and every pupil to experience an excellent education and realise their individual talents.

> *"Pupils look out for each other if anyone gets upset. Pupils get strong support for their well-being, including those with special educational needs and/or disabilities (SEND). As a result, they are safe and happy, and they praise their school."*
