Welcome to the sixth edition of the William Law Weekly of 2026-27. In each weekly letter, we shall share important information as well as celebrate the successes of the children across the school. We hope that you find this information useful and helpful.

Attendance

We understand that there are times when children need to be absent from school due to illness, medical appointments, or other exceptional circumstances. While some absences may be authorised by the school and others may be recorded as unauthorised, it is important to remember that **any absence from school impacts a child's overall attendance percentage and can affect their learning**. Every day in school provides valuable learning opportunities, and even short periods of absence can mean that children miss important teaching, classroom discussions, and experiences that are difficult to replicate.

We therefore encourage families to ensure that children attend school whenever possible and to keep absences to an absolute minimum, helping them to achieve the best possible outcomes both academically and socially.

Half termly, emails will be sent identifying lateness or whether a child's attendance is at 96% or above or between 90% and 95%. Attendance below 90% will be looked at individually and where necessary emails will be sent home inviting parents into school for a meeting or a discussion on how school can support you and your child in improving their attendance. Not arriving to school on time, does impact on a child's overall attendance.

Where does your child sit on the attendance mountain?

Year 6 Residential

We wish all Year 6 pupils attending next week's residential a wonderful time and an enjoyable week of activities.

Parents will be notified once the children have arrived safely at the venue.

We will endeavour to share photos and updates through SeeSaw during the week. However, due to poor mobile signal in the area, updates may not be available every day and there may be some delay in uploading content.

While we know families enjoy receiving regular updates, our staff's primary focus is the safety, wellbeing, and enjoyment of the children throughout the trip. Thank you for your patience and understanding.

Women's Aid

This week we handed handbags full of toiletries to Women's Aid. Often women who need to go to a refuge arrive with nothing. Mrs Jessop organised a collection from staff in school who have been very generous bringing in items to donate. Mrs Jessop would like to thank the adults in school for their kind donations.

Women's Aid provide support for anyone living with domestic abuse. Information about all the different support available can be found on their website <https://peterboroughwomensaid.co.uk/> or by calling 017330894964

They also have a support group called Women Warriors that meet every Tuesday and Friday, 10.30 - 12pm at Anne's House, 32-34 Cromwell Road, Peterborough.
